Recognition Day at TSCC

30 March 2017, Silang, Cavite – The Recognition Day at The School for Chosen Children (TSCC) is an event that every student looks forward to at the end of the school year. This year is no different. From the youngest (toddler) to the oldest, the twenty-six most able residents / students each received awards in the form of certificates and medals. The awards are always meant to encourage them to do their best the next school year.

Six students who stood out during the entire school year received more than one award, among them: (girls) Daisy Mae - Best in Spelling / Most Improved; Isabel - Best in Spelling / Best in Writing; May Jean - Best Dancer / Most Industrious; (boys) Charlie – Best Singer / Most Obedient; Michael - Best Dancer / Neat Dresser; Niño - Best Artist / Best Singer.

The Future Farmers & Hacienderos

A few of the TSCC children and youth are being trained to become future farmers in the recently established farm. The farm is located at the rear part of the 4-hectare village which is also called by the residents as the 'hacienda.'

The farm which is basically in its early phase of development has somehow kept the children and youth busy in basic farming / horticulture. This project which is a component of TSCC's (The School for Chosen Children) Pinili Works aims to give further training in livelihood for the growing children and youth under the care of the Foundation.

Different domestic animals are being bred and raised such as chickens, cows, goats, hogs, rabbits and turkeys. During the launching stage of the farm in 2016, there was only a couple of hogs and a few native chickens. In time, the hogs produced its young, and eventually one of the original pigs (which had matured) supplied the meat consumption of the children and staff for more than a week.

Assisted by two other farm workers and their Teachers, the children and youth eagerly look forward in taking turns in their duties and responsibilities at the farm.
