Dearest Donors & Friends,

We have selected some of the CCV youth namely: Isabel, Kimberly & Niño to write for the April 2017 issue. **Minor editing has been done in their write-ups.** These budding young writers keep their own journals where they write on a regular basis.

At the Water Camp with the Rotaract Club of Manila

Niño

08 April 2017, Kawit, Cavite – We were excited to go to Water Camp Resort. There are many people there when we arrived. We first swim and then we went to the wave pool and some of us tried the slide which is my favorite part. The sponsors gave us food to eat and we thanked them for that. When we finished our lunch we went back swimming and having more fun. At the wave pool, there is an on-going dance performance called zumba. We are having fun dancing in the pool. When it's finally time to go home, we thanked the Rotaract Club of Manila for sponsoring the summer outing. We made good friends with them.

22 April 2017, Calatagan, Batangas – After we ate our breakfast at 7:00 we departed. We arrived in Lago de Oro at 9:00 in the morning. We went to the room to change into our swimming suit. And then all of us are swimming in the pool, until lunch time. While we are swimming Mama Bing took a picture of us. Then at 12:00, all of us had our lunch. Our food were fish fillet, fried chicken, rice, pizza and shanghai lumpia. Our dessert is *maha blanka*. We also drink ice tea and water. After we ate our lunch, all of us take a rest for one hour. Then at 2:00, we went to the water ski. When we arrived there, we saw Oliver, Niño and Dave doing the water ski. Then at 4:00, we went back to our room to take a bath and we change our clothes then at 5:00 in the afternoon, we went home. I am so happy because I really enjoyed swimming, eating, and also I enjoyed staying by the water ski.

EASTER EGG HUNT *Kimberly*

23 April 2017, Silang, Cavite – On April 15 after our dinner, Isabel, Joenabie, Charlie, Dave and I helped Mama Bing to put the candies and imported chocolates inside the small eggs and big eggs. After we put the candies and chocolates inside the eggs, Papa Mark bring the basket with eggs inside the stock room upstairs. The next day, we woke up early as it was Easter Sunday. Some of my sisters were so excited to look for all the eggs. We went downstairs to eat our breakfast and when we saw some of the staff in the dining eating we said to them Happy Easter. After that, while we are attending the mass, Papa Mark and Papa Joseph spread the eggs near Mommy's house, Cottage 1, Cottage 9 and some in the playground. After the mass, everyone went to the playground and Mama Rosemarie gave the bag to my brothers and sisters then we start to run and look for the eggs. After we found all the eggs, some of my sisters had 3 big eggs while the others have many smaller eggs. My brothers and sisters shared their candies to the Mamas, Papas and some of the brothers. I collected the empty eggs so that we can use it for the next Easter Sunday. We felt happy because we had Easter egg hunting while the weather is beautiful. It rained later in the afternoon.
