CHOSENCHILDRENVILLAGE SMALL MIRACLES

FOUNDERS' WEEK 2017

22 to 29 August 2017, Silang, Cavite – Each year the entire CCV family celebrate the birthdays of its Founders Ron & Lita Fullerton with the customary week-long sporting event dubbed the Founders' Week. The start of the event is on the 22nd (birthday of Daddy Ron) & culminates into the awarding rites on the 29th (birthday of Mommy Lita).

In all the events, the children and staff showed remarkable competitiveness in both the indoor and outdoor events. Thus far, the most awaited event in the entire 7-day friendly competition is (and has always been) volleyball. Played in three different categories (men's, ladies' and mixed), volleyball sends everyone scurrying to the indoor gym of the Arantza Rehabilitation Center to root for his teammates. Both players and non-players from each team get hyped up for volleyball, everyone's favorite event. During such a game, the boisterous cheers and friendly banter (which can sometimes get really loud) between the competing teams add zest to the game and fire up the energy of each player to do his best for the team.

The Green Team (Daddy's) ran the race until the finish line, but ultimately, congratulations were in order for the Pink Team (Mommy's) who did their very best to emerge as the over-all winner this year.

ATTICUS KING GIVES HIS MESSAGE TO THE CHILDREN WHOM HE HAS BEEN SUPPORTING

ATTICUS KING AND HIS FAMILY SURROUNDED BY THE CCV CHILDREN AND YOUTH

THE VICTORIA COURT COTTAGE

Generosity Runs in the Family

15 July 2017, Silang, Cavite – Atticus King, an ardent supporter of CCV's mission, once again decided to celebrate a momentous event in his family with the CCV family on the 15th of July 2017. This time, it was a two-in-one celebration for the Kings. It was a post celebration of Atticus' birthday and his first-born daughter's (Amara Storm) naming party. Like his humanitarian father, Atticus has a big heart for Chosen Children. Instead of throwing a lavish party, he and Kimberly Epil opted to give to the fortunate CCV children and youth as their way of giving back.

Atticus is the son of the late entrepreneur-philanthropist Archimedes 'Archie' King, the generous donor of Cottage 8, called the Victoria Court Cottage. The 8th cottage in the village built in December 2001 and the renovation (in March 2011) of which was again munificently funded by Victoria Court. For almost 16 years now, the cottage has served as a home (initially) of the hyperactive group and is currently occupied by the bedridden children and youth in the village.

Someday, we will not be surprised if Amara will take the public by storm with a heart as generous as that of her Dad and late Grand Dad.

Atticus King is closely related to Ms. Tanya Lim Llana, one of CCV's Honorary Board members.
