CCV President Guenter Taus welcomes the donors and guests

NordCham Returns to CCV

11 November 2017, Silang, Cavite – The Nordic Chamber of Commerce of the Philippines (NordCham Philippines) came back to CCV on the 11th of November as a way of continuing its support to the children and youth living in the village.

NordCham's major charitable event of the year is the Crayfish Party 2017 held on 16 September at the Sofitel Philippine Plaza Hotel Manila. The CCV Trustees (and their spouses) who were present in this year's festivities were: Mr. & Mrs. Guenter & Otts Taus, Atty. Gwen & Atty. Luigi Gana, Dr. Terry Ong, Ms. Nena Ortoll, Mr. & Mrs. Tony & Rosemarie Villa-Real and Ms. Che Naval (CCV Executive Director).

On its 5th year of giving support to CCV, NordCham's visit started with the raising of the Nordic flags situated by the entrance to the village during the community singing of the Philippine national anthem. These were the flags of the countries of Iceland, Denmark, Finland, Norway and Sweden.

NordCham President Bo Lundqvist officially gave the donation from the proceeds of the Crayfish Festival to CCV President Guenter Taus and Executive Director Che Naval.

NordCham and CCV are equally grateful for the ardent supporters of the Crayfish Festival which garnered a sizeable amount all for the benefit of the mentally and physically challenged children and youth of the Foundation.

FMSec with some of the children and youth

FirstMetroSec Visits CCV

04 November 2017, Silang, Cavite – The management and staff of First Metro Securities Brokerage Corporation or (FirstMetroSec) held their very first Corporate Social Responsibility (CSR) event at CCV on the 4th of November. FirstMetroSec is a stockbrokerage house licensed to trade in the Philippine Stock Exchange with prime business address in Makati City.

Even if it was a first for the FMSec management and staff, they were fully prepared for their charity event in the village. To maximize their stay in the village, the experts in investing were divided into different groups for the various activities they have lined up: one group assisted in feeding the wheelchair-bound children and youth in the village; another watched a movie with a few children and youth while the biggest group busied themselves with planting varied fruit-bearing trees at the village "hacienda." The half-day event culminated with the FMSec management and staff joining the children and youth for lunch.

On the whole, FMSec surmised that the "experience was truly eye opening" for them all.

CCV Executive Director Ms. Che Naval would like to thank FMSec for their generous donation for the children and the entire staff as well.
