SMALL MIRACLES

The Monthly Newsletter of Chosen Children Village Foundation, Inc.

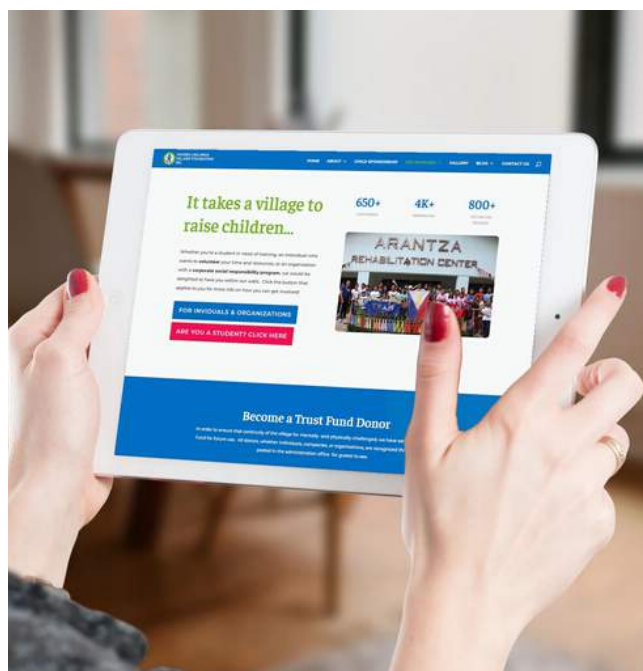

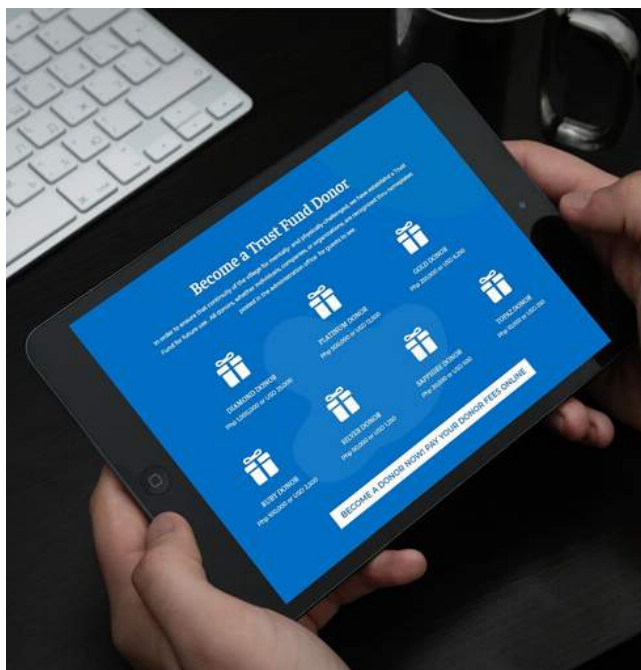

JUST LAUNCHED!!!

Our new website is up...

After several months of development, we have finally launched the new Chosen Children Village website to the public last November 5th. This project, spearheaded by our beloved founders Lita & Ron Fullerton, is one of the minor projects tabled for this year. Its completion heralds a new beginning for the online presence of the foundation.

The new website will tie together the different social media accounts of the foundation and provide more timely updates about the village for the general public.

Become a Trust Fund Donor or Child Sponsor Online!

One of the concerns we had in developing the new website is how we can make it convenient and safe for people from all over the world to become child sponsors and/or trust fund donors.

After testing several payment platforms, we have decided to use Paypal, one of the world's fastest and most secure payment platforms, to accept donations. We're inviting you to share our website with family and friends who are interested in sharing their blessings with our angels.

Read our blog & Subscribe to our newsletter

Currently, only sponsors and donors receive our monthly newsletter, **Small Miracles**. But with the new website, the general public can read about the latest happenings and news about the village through the blog. They can also subscribe to Small Miracles through the subscription form so they can receive this in their inbox.

Moreover, the public can now access past issues of Small Miracles and Annual Reports through the website.

View our Photo Gallery & Videos

To showcase the thousands of visitors, volunteers & trainees that we host each year, we have created a photo gallery where you can view photo albums and pictures taken by our staff and/or submitted by the guests.

We also have started a YouTube Channel where you can watch news stories and vlogs featuring the Chosen Children Village. You can access all of these and subscribe to our YouTube channel via the CCV TV page.

Giving Joy To Physically Challenged Children

Papa Rolly and Mama Stef of the Arantza Rehabilitation Department recently met with the representatives of the Jesus V. Del Rosario Foundation, Inc to discuss the details of their upcoming outreach program geared towards the wheelchair-bound children at the village.

Founded in 1984, JVR Foundation is the social arm of the JVR Group of companies. One of its flagship programs is the **Wheelchair Project**, which aims to equip children with special disabilities with wheelchairs suitable to their needs. They have provided more than 441 wheelchairs to Filipino children with disabilities since the program started in 2009.

BNI raises US\$6200 for CCV

The first-ever BNI Arrowhead Golf Tournament held last September in Peoria, Arizona raised a total of \$6200 for the benefit of the children of the Chosen Children Village.

We would like to thank the **Friends of CCV**, our US partner, for making this fundraising event a reality. The proceeds will help augment the operational budget of the village in the coming month.

CCV goes to NGO CONGRESS

To remain compliant with the latest governmental rules for non-governmental organizations (NGOs), Doc Obet attended the Philippine Institute of Certified Public Accountants' NGO Congress 2019 at the Mall of Asia Area last October 24, 2019.

Topics covered include updated SEC Reportorial Requirements, DSWD Accreditation Process, NGO Good Governance and Management, Bookkeeping, and more!

REHAB UPDATE

Arantza conducts lecture for Psych Interns

Psychology students from the Cavite State University - Imus Campus were treated to an enlightening series of lectures by Mama Shaira and Mama Mikee of the Rehabilitation Team. The pair discussed the basics of physical and occupational therapy to help the students properly carry out their tasks during their training at the village.

Aside from that, the students also learned more about Cerebral Palsy and Behavioral Modification Techniques.

SCHOOL UPDATE

The School for Chosen Children bustled with activity in the last week of October as the young adults, supervised by Papa Roge, sorted and organized items for this year's garage sale.

Donor Kurt Swart visits CCV

Long-time donor Kurt Swart had an exuberant visit in the village last October 29th. He spent a good time playing with the children having their therapy at the Arantza Rehabilitation Department.

Kurt became part of the CCV family when he first visited the village in 2016. Since then, he has become one of our loyal supporters and had contributed a lot to making life better for the children in the village. In this particular visit, he promised to donate money for the purchase of air conditioning units for the Physical Therapy Room.

Kurt has a history of helping children in need around the world. He is part of an organization called Watch These Kids Bloom, which helps build orphanages in poverty-stricken areas of the world.
