# Angels Crossing

Monthly Update From the Chosen Children Village

## The hunt is on!

One of the most awaited events in the village is the Easter Egg Hunt. With the pandemic still hanging over our heads, there was an air of uncertainty early on.

But the Mama's and Papa's of the village will not let this day pass by without surprising the kids with an Easter Egg Hunt, and it is on!

A little downpour didn't dampen the mood as the kids hunt for easter eggs in their protective rain gear.

It's a heartmelting scene as the older children guide and assist the younger ones finding treasures. Sacrificing their own hunt so that their younger brothers and sisters enjoy.

Their simple gestures manifested the way they were molded within the nurturing environment in the village.

It also reflects the teachings of Jesus that we always strive to follow and do.

We hope that it inspires your as well to help God's chosen children. \*\*\*

# Let the games begin!

CCV Olympics, former Kiddie Olympics, is one of the most awaited activity of the CCV children.

A major activity at Chosen Children Village Foundation, Inc. has come.

The 2 day event, was held last April 28-29, 2022, where the children experienced the spirit of teamwork, solidarity and fair play.

This is a platform for them to show their physical agility in an inclusive and safe environment plus of course enjoy summer!

The BLUE Team emerged as the Overall Champion with a total of 210 points. It was a close fight that really goes down to the wire as the GREEN Team's score is 195.

Nino Donayre was named Male MVP while May Jean Morga bagged the Female MVP award and Silver Arroyo as the Little MVP!
