Preparing for the future

Four of our Chosen Children, Dave Mendoza, Kimberly Paredes, Nino Donayre and Daisy Mae Serafin passed the Alternative Learning System (ALS) Junior Highschool.

This will not be possible without the assistance of ALS Representative Ms. Celia Alvarez from Arnold Janssen Catholic Mission Foundation Inc. and their ALS Learning Facilitator Ms. Yvonne Mendiola V. Javier.

Health above else.

Preparing for the rainy months should start with the most important asset, the health of our children.

Headed by Dra. Balalta and with the help of our Mamas and Papas, our infants and toddlers are all giggly as they undergo a complete physical check-up.

Next are the elder children whose schedule for annual physical examination is on progress.

Result, **HEALTHY Kids, HAPPY Village!**

wherever you go,

always bring your own SUNSHINE**

Our heartfelt thanks to the following group

Big thanks to all donors and sponsors from the Philippines and from other countries who made us survive May 2022. A BIG SHOUT to groups who developed activities to encourage co-workers, friends and families to join and pull resources.

Thank you for your continuous benevolence and sharing your blessings with us!

Art Attack at the Village

Art is an essential activity that is always enjoyed by Chosen Children.

Last May 31, 2022 an Art Workshop was held and was facilitated by our very own highly functional young man Nino Donayre with the guidance of Teacher Leny and Teacher Yvonne.

It was attended by selected TSCC learners and the Prince & Princess of Hearts Candidates together with their guardians.

Participants listening intently

Even our toddlers are having a blast!

Our Facilitator patiently explaining the basics

Participants proudly shows off their works!

100% Pure concentration

Developing important life skills

TCCS continues to develop the life skills of the Chosen Children along with their intellectual and aesthetic skills.

Our highly functional children helped in preparing Cottage 3 as the Skills Development Training area. The skills development learners are in-charge in preparation together with their learning facilitator Teacher Jayde dela Cruz.
