

OCTOBER 2022

Angels Crossing

Monthly Update From the Chosen Children Village

Reaching New Heights

All smiles as a group of Chosen Children Learners attended this year's Recognition Day.

It was held last October 07, 2022, at the TSCC hall. The learners, teachers with the mamas and papas were also excited for the milestone of the learners.

The program opened with a prayer song led by MJ and the toddlers, followed by the ceremony recognizing all the achievers and movers who contributed and made the school year successful. ***

Trick and a lot of Treats

October always ends with a bang as the Village holds its Annual Halloween Trick or Treat. And this year was even more extra special.

This is one of the most anticipated events of our Chosen Children. They got to enjoy a lot of treats from Donors, Sponsors and the whole community as well.

Reeling from the aftermath of Paeng, the CCV Staff lead by it's Founders Mommy Lita and Daddy Ron made sure that this event will not pass by without any fanfare.

Special shout out to Sir Eric & Dra. Claire tfor the donation of one Isuzu Traviz Van for the use of the foundation, definitely a rainbow after the rain.

It was a memorable and fun filled day, not just for the Chosen Children, but for everyone who attended as well. ***

The Aftermath

A few days before one of the biggest events in the country, we got blindsided by Typhoon Paeng.

Just like many, the Village wasn't spared from the devastation, small trees fallen, some cottages sustained roof leakage and some damage at the farm was observed.

We are very thankful that all the children and staff are safe. They were treated right away with goodies as the Village held it's Annual Halloween Trick or Treat.

But a lot of work has to be done once the debris is cleared up. Our chicken coop and green house was hardest hit and needs major repairs as well as clearing small fallen trees.

A donation drive was started with Php 2,000 pesos by an anonymous donor.

From us to yours - Our November Wish. ***
