The King Family Tradition Lives On

The King family has been a vital part of Chosen Children Village Foundation, Inc. for many years. Not only have they been successful in their own business endeavors, but they have also been dedicated to giving back to those in need. One of which is their involvement in building Cottage #08.

When the foundation is in its infancy, they dream of building a facility to house their hyperactive children. The King family stepped in and made that dream into a reality.

Their generosity did not stop there. Over the years, the King family has continued to support the foundation by donating money and materials to help renovate and maintain the building. They have also volunteered their time to help with events and fundraisers to benefit the foundation.

Due to the King family's generosity, the foundation has been able to provide adequate and proper services to the children in its care. They have provided a safe and comfortable space for them.

In conclusion, the King family has played a vital role in the growth and success of the Chosen Children Village Foundation, Inc. They are an example of how one family can make a significant impact on their community through their generosity and willingness to help others. We will be forever grateful for their contributions.

RENOVATION OF COTTAGE #08

FOUR STUDENTS ADVANCE TO SENIOR HIGH SCHOOL

We are very proud to announce that four of our learners have impressively completed their junior high school education through the Alternative Learning System (ALS) program of the Department of Education. Daisy Mae, Dave, Kim, and Niño will now advance to the next level to earn their senior high school diploma.

We are so proud of the commitment and hard work that these children have exerted to complete their modules and assessments. Such an inspiration to us, most especially the other students.

Their success would not be possible without the patient guidance and teachings of our learning facilitators and the generosity of the sponsors and donors who provided for their daily needs and school expenses.

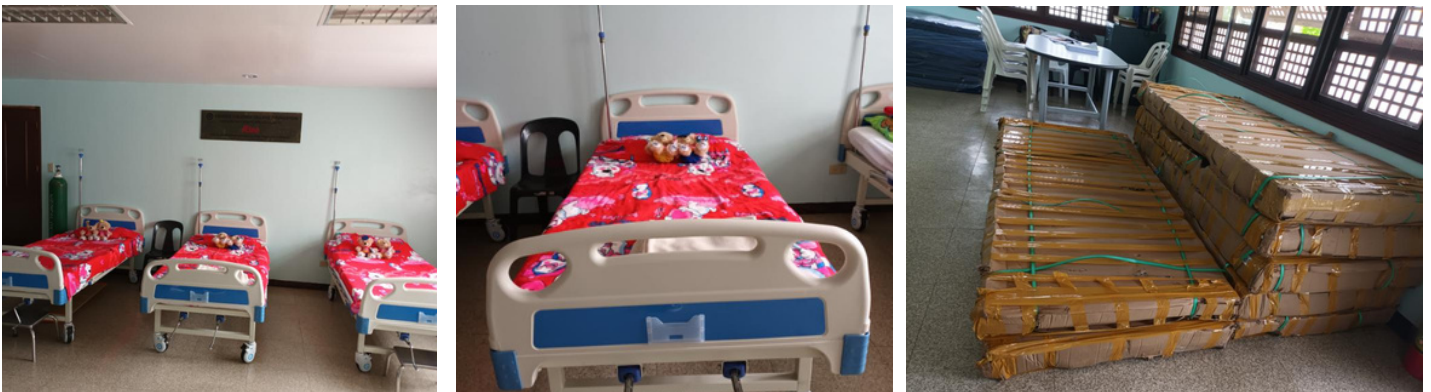

VILLAGE UPDATES

WE ARE BUILDING OUR OWN E.R.!

As we head on to the 2023, a major undertaking was set in motion – building our in house Emergency Room! This will not only boost our ability to serve the children but also streamlining immediate and critical care.

When the list of what's needed was drafted, Mam Belene Yucoco (one of the member of BoT) jumped into action and secure a donation of 10 (ten) new hospital beds from Mam Laura Abigail and Shyna Breanna Limsenkhe.

It was indeed a step towards the right directions. Our heartfelt thanks to you ladies!

FCCV IS FRIENDS FOR LIFE!

"Friendship is always a sweet RESPONSIBILITY, never an OPPORTUNITY..." K Gibran

Friendship is a vital part of our lives. It provides us with a sense of belonging, understanding and support. Friendships can be formed for various reasons, whether it be through common interests, shared experiences or simply through proximity.

As years go by, there is one who's always by CCVFI's side, FCCV or Friends of Chosen Children Village, Inc. A true friend is someone who is always there for you, through the good times and the bad. They provide a unique level of support.

Thank you FCCV for all the years that you have been with us and as we continue our journey forward we always know you will be by our side!
