

MARCH 2023

Angels Crossing

Monthly Update From the Chosen Children Village

Thanks for the trust!

Accreditation is a process by which organizations are evaluated by an independent third party to determine if they meet certain standards. Accreditation provides assurance to the people it serves that the organization is competent, reliable, and ethical. It demonstrates that the organization is committed to delivering high-quality products or services, and that it has a system in place for continuous improvement.

We are very thankful here at Chosen Children Village Foundation, Inc., that once again, after thorough evaluation process that we are worthy to continue providing services to chosen children. It took the combined efforts of our Founder Mommy Lita, together with Executive Director Mama Weens, our resident Social Workers John Kenneth and Marshiel and the of Mama's and Papa's who dedicated their lives in care for these children.

Again, thank you DSWD for affirming our efforts and service and reignites our spirits that we may continue more and push harder so that success is never the goal but a reward for everything that we do. ***

Thank you for sharing...

Birthday Shout Out!!!

IMAGINE Rotary

The Rotary Club of Nuvali has always been committed to serving the community, and the club's recent charitable efforts at the Chosen Children Village Foundation are evidence of the club's continuous commitment to uplift the lives of others and advance the mission of Rotary as an organization.

Through the leadership of Club President Mylin Ebdane, Chairman Kaye Cuy, and Co-Chair Dr. Hervertson Alfaro, the club provided a much-needed medical check-up for the kids of Chosen Children Village last March 6, 2023. A pediatric wheelchair, sponsored by PP Jeremie Lo (Founding Chairman of JLO Big Heart Foundation Inc.) was also given to the village to help with the mobility of the children with disabilities.

To aid the foundation in ensuring the well-being of the children, additional donations of fresh milk, oatmeal, slippers, vitamins, dental kits, and money were made. But the day didn't end there, the children alongside the club members shared a delicious and nutritious meal prepared by Rtn. Jab Bulawin. This act of kindness and generosity not only provided the children with a good meal, but it also lifted their spirits and made them feel cared for.

Capping it all off, the club's community engagement at the Chosen Children Village Foundation is a shining example of how a community can come together to make a difference in the lives of those who need it most. Cheers, RCN! ***
