Monthly Update From the Chosen Children Village

Joyful Haircuts

The toddlers at the Chosen Children Village Foundation recently enjoyed a special treat after getting their hair cut.

Their excellent behavior and cheerful spirits during the haircuts were rewarded with a fun-filled day at the mall. The children excitedly rode various kiddie rides and indulged in their favorite treats from McDonald's.

The outing brought immense joy to the toddlers, as they laughed and played throughout the day. The foundation's staff were thrilled to provide this delightful experience, creating wonderful memories and fostering happiness among the children they care for and support.
