

AUGUST 2024

Angels Crossing

Monthly Update From the Chosen Children Village

Practical Learnings

The School for Chosen Children has launched a new learning initiative as part of its Merchandising Skills and Development Program, known as the Pinili Thrift Shop.

This program is designed to enhance students' knowledge and skills in customer service, inventory management, item sorting, stocking, and cashiering, all using a color-coded system.

It also helps to develop their social communication skills. The items used in the thrift shop serve as practical tools for students to demonstrate their learning in a real-world setting, allowing them to apply their new skills effectively. ***

Welcome back Fr. Jessie, RCJ

We are delighted to welcome back Fr. Jessie, RCJ, and the Rogationist Brothers to the Village! Their return has been a source of joy and inspiration for everyone, especially the children. During their visit, they played an active role in the feeding program, ensuring that the children received not only nourishment for their bodies but also for their spirits. Their dedication and kindness have left a lasting impact, and we are truly grateful for their presence.

Looking Back

We extend our heartfelt thanks to Olivia Amora, a former child at Chosen Children, who has returned to give back to the community that once nurtured her. Your generosity and commitment to helping other children is a true testament to your compassion and gratitude. By sharing your time and resources, you've become an inspiring role model for the children. Your journey reminds us all of the enduring power of kindness and the importance of giving back.

Thank you for celebrating with us!

Our heartfelt thanks to the ff
