Monthly Update From the Chosen Children Village

Trick or Treat!

At Chosen Children Village Foundation, Trick-or-Treat is a time of joy, laughter, and community for the children. The excitement builds as they prepare for the festivities, often creating their own costumes and eagerly anticipating a night of adventure and sweets. For the children at the foundation, Trick-or-Treat represents a special chance to experience the magic of Halloween, where imaginations come alive and everyone gets to be a superhero, fairy, or monster for the night.

Beyond the costumes and candy, the tradition of Trick-or-Treat fosters a sense of belonging and joy for the children. Volunteers and staff members help transform the foundation grounds into a spooky wonderland, with decorated paths and friendly "haunted" stops. This celebration, filled with inclusive activities, is a reminder of the love and care within the community, allowing each child to feel seen, valued, and cherished in a unique, memorable way. ***

Empowering with Purpose

Corporate Social Responsibility (CSR) at Chosen Children Village Foundation is a deeply impactful experience, creating meaningful connections between organizations and the children who call the village home. Through CSR initiatives, companies can support a nurturing environment tailored to the needs of children with disabilities, providing resources that fuel their growth and development.

Participating in CSR here goes beyond financial contributions; it involves creating enriching experiences that allow the children to thrive. Volunteers from partner organizations engage directly with the children, organizing special events, educational workshops, and recreational activities. This personal touch has a lasting impact, giving children memories that uplift their spirits and motivate them.

Chosen Children Village Foundation offers a unique CSR opportunity to build not only a culture of compassion within a company but also a direct, positive effect on young lives. Through these initiatives, businesses leave a legacy of kindness and contribute to a future filled with hope and inclusion for all. ***

Thank you and more power!
