January 2025 Edition

Monthly Update From the Chosen Children Village

THE CHILD IN US

The Feast of Sto. Niño, celebrated every January, is a cherished tradition in the Philippines that honors the Christ Child as a symbol of faith, hope, and innocence. This celebration deeply resonates with the mission of the Chosen Children Village Foundation, a home for abandoned and differently-abled children.

Just as the Sto. Niño represents purity and divine love, the foundation nurtures children with special needs, providing them with care, education, and a sense of belonging. During the feast, the village often partakes in festive activities, including prayers, music, and dance, mirroring the joyous spirit of the Sto. Niño.

By celebrating this feast with the Chosen Children Village, the community emphasizes compassion and inclusivity, reminding everyone that every child, regardless of ability, is a precious gift. The event fosters faith and generosity, inspiring people to extend love and support to those in need.

A heartfelt thank you to Fr. Jessie for leading the celebration and bringing the community together in faith and love. ***

JOYFUL NEW BEGINNINGS

The Chinese New Year is a time of renewal, joy, and hope, marked by vibrant traditions such as dragon dancing, symbolizing strength, wisdom, and prosperity. At the Chosen Children Village Foundation, which cares for abandoned and differently-abled children, celebrating this festival fosters inclusivity and cultural appreciation.

The dragon dance, with its lively movements and rhythmic beats, brings excitement and energy to the children, creating a festive atmosphere that promotes happiness and unity. Just as the dragon is believed to drive away negativity and bring good fortune, the celebration reminds everyone that love, care, and support can uplift lives.

By incorporating Chinese New Year festivities, the foundation embraces diversity and teaches the children the value of different traditions. The event also encourages the community to extend their generosity, sharing blessings with those in need. Through joy and togetherness, the celebration becomes a meaningful experience of hope and belonging. ***
