February 2025 Edition

Monthly Update From the Chosen Children Village

LET'S PAINT IT RED

Valentine's Day is more than just a celebration of romance—it is a day to express love, kindness, and appreciation for those around us. At Chosen Children Village Foundation, a home for children with special needs, celebrating Valentine's Day brings joy, inclusivity, and a sense of belonging.

For these children, who may not always experience traditional family settings, this special day provides an opportunity to feel valued and cherished. Acts of love, whether through simple gifts, heartfelt letters, or shared activities, help boost their self-esteem and emotional well-being. Volunteers, caregivers, and supporters play a crucial role in making them feel special by organizing fun-filled events, storytelling sessions, and creative activities.

By celebrating Valentine's Day, the foundation fosters a culture of love and acceptance, reminding the children that they are deeply cared for. Such moments create lasting memories, reinforcing that love exists in many beautiful forms. ***

BIRTHDAY JOY

Birthdays are special moments that every child deserves to celebrate, and thanks to SimpleBIZ, the children at Chosen Children Village Foundation, Inc. (CCVFI) experience the joy of their special day through monthly birthday parties. By hosting these celebrations, SimpleBIZ brings happiness, excitement, and a sense of belonging to children who may not always have the opportunity to enjoy traditional birthday festivities.

These monthly parties, filled with fun activities, delicious food, and heartfelt gifts, create cherished memories for the celebrants and their friends. Beyond the festivities, SimpleBIZ's generosity fosters self-worth and emotional well-being among the children, reminding them that they are loved and valued.

CCVF deeply appreciates SimpleBIZ's kindness and commitment to making these children feel special. Their continued support goes beyond just a celebration—it is a testament to the power of generosity, creating moments of pure joy and strengthening the sense of family within the foundation. ***

HEALTHY HAULS

Arthaland continues to make a profound difference in the lives of the children at Chosen Children Village Foundation, Inc (CCVFI) by once again selecting the foundation as a beneficiary of its Healthy Hauls initiative for 2025. Through this program, Arthaland delivers fresh vegetables twice a month, ensuring that the children have access to nutritious food essential for their growth and well-being.

This ongoing partnership reflects Arthaland's unwavering commitment to social responsibility and sustainable living. The fresh produce not only promotes better health for the children but also encourages a deeper appreciation for nutritious eating habits.

CCVF expresses heartfelt gratitude to Arthaland for their generosity and continuous support. Their kindness goes beyond food—it brings hope, care, and a sense of community to the foundation. With each delivery, Arthaland nurtures not just bodies, but also hearts, reinforcing the power of compassion and corporate social responsibility.
