GAME FOR HOPE

Organizing a BINGO Social holds significant importance for the Chosen Children Village Foundation, Inc. (CCVFI). As a non-profit dedicated to providing a permanent home for abandoned and differently-abled children, such events serve as vital fundraising tools.

Bingo, deeply rooted in Filipino culture, is often utilized by organizations to raise funds for various causes. By hosting a BINGO Social, CCVFI can generate essential financial support to enhance the care, education, and rehabilitation services offered to its residents. Beyond fundraising, these events foster community engagement, strengthening bonds with supporters and raising awareness about the foundation's mission.

The communal nature of bingo aligns with CCVFI's goals, creating an enjoyable atmosphere that encourages participation and solidarity. In essence, a BINGO Social not only provides financial aid but also cultivates a supportive community network, crucial for the foundation's ongoing success and the well-being of the children it serves.***

TO DUST WE CAME...

Ash Wednesday holds deep meaning for the Chosen Children Village Foundation, Inc. (CCVFI), a home for abandoned and differently-abled children. Marking the start of Lent, this day encourages reflection, humility, and spiritual growth. For the CCVFI community, the tradition of receiving ashes is a reminder of life's fragility and the value of inner renewal.

By observing Ash Wednesday, the foundation nurtures not just the physical, but also the spiritual well-being of its residents. It fosters a sense of belonging and faith, helping the children feel connected to a larger community grounded in love, compassion, and hope. ***

HOT SKILLSET

Chili making is a fun and flavorful way to develop essential life skills, especially for young individuals or those in care communities like Chosen Children Village Foundation, Inc.
