Monthly Update From the Chosen Children Village

## LEGACY OF LOVE

At Chosen Children Village Foundation, Inc. (CCVFI), the month of August is extra special as we celebrate the birthdays of our beloved founders, Daddy Ron on August 22nd and Mommy Lita on August 29th. Just a week apart, their birthdays are more than personal milestones—they are reminders of the extraordinary mission they embraced together decades ago.

As husband and wife, Daddy Ron and Mommy Lita built CCVFI with a shared vision: to create a safe, loving, and nurturing home for abandoned and differently-abled children. Their lives are a living testament to selflessness and faith, dedicating every effort to ensure that each child not only has a home but also a family.

The closeness of their birthdays beautifully reflects the unity of their purpose. For the children and staff, these celebrations are not just about honoring the passing of years, but about appreciating the enduring legacy of love, compassion, and commitment that the couple continues to embody.

Their tireless dedication reminds us that true parenthood goes beyond bloodlines—it is measured by love, sacrifice, and hope. As we honor Daddy Ron and Mommy Lita, we also celebrate the countless lives they have touched and the brighter future they continue to build for every chosen child.\*\*\*

## STORIES THAT SHINE

Chosen Children Village Foundation, Inc. (CCVFI) proudly celebrates the launch of *A Splash in the Sky*, a heartfelt book written by 17-year-old student Noelle M. What makes this work truly inspiring is its origin—Noelle was moved to write the book after joining her school's immersion program at the village. Through her time with the children, she witnessed their resilience, joy, and boundless hope, which became the heartbeat of her story.

***A Splash in the Sky*** is more than just a book; it is a testament to the power of empathy and the impact that the children of CCVFI have on those who meet them. By purchasing a copy, readers not only support a young writer's dream but also extend a helping hand to the foundation and its mission of providing a loving home to differently-abled children.

Your support makes every page shine brighter. **GRAB A COPY NOW** for only **PHP 350.00!**

In a loving home for children with special needs, Sky discovers her hidden talent when she's invited to help paint the backdrop for the big play. As she fills the stage with bright, beautiful colors, Sky learns how much joy art brings her—and how everyone has something wonderful to share.

# IMMERSIONS

Immersion programs at Chosen Children Village Foundation, Inc. (CCVFI) play a vital role in building deeper understanding and compassion. When organizations spend time in the village, they gain firsthand experience of the children's daily lives—their challenges, joys, and remarkable resilience.

This meaningful interaction fosters empathy, breaks down misconceptions, and inspires a stronger commitment to service.

For the children, immersion brings new friendships and a sense of belonging, while for visitors, it offers life lessons that extend beyond the village. Such encounters plant seeds of advocacy, ensuring more people stand alongside CCVFI's mission of love and hope.
