Monthly Update From the Chosen Children Village

🎃 SPOOKTACULAR FUN AT THE VILLAGE! 🧛

The Village came alive with laughter, color, and a few friendly scares during our annual Trick or Treat celebration! Children, caregivers, and staff joined in the fun, donning creative costumes — from fairytale princesses and superheroes to aliens and spooky characters. The event was filled with exciting activities, treats, and heartfelt moments that brought smiles to everyone's faces.

The Halloween celebration wasn't just about costumes and candy — it was about community, creativity, and connection. Everyone, young and old, shared in the joy of togetherness, proving that the spirit of fun truly knows no bounds.

A big thank you to our staff, volunteers, and donors who helped make this event extra special for our children and residents. Your support continues to bring light, laughter, and love to the Village. Until next year's Halloween — boo to you from all of us! 🎃🌟

🌟 LEARNING BEYOND THE CLASSROOM 🌟

The Village continues to be a nurturing ground for growth and learning through our Immersion Program, where students and professionals experience the joy of service and community engagement.

We are grateful to our partners — **Behn Meyer**, **Onecore Consultancy Inc.**, **Smile for Hope of Dr. Jean Pauig**, and **Foreign Cultural Exchange** — for sharing their time, skills, and compassion with our children and residents. Their presence has brought meaningful interactions, hands-on learning, and inspiring connections that go beyond academics. Each immersion reminds us that true education is found in empathy, understanding, and the willingness to make a difference in others' lives. ❤️

STORIES THAT SHINE

Chosen Children Village Foundation, Inc. (CCVFI) proudly celebrates the launch of *A Splash in the Sky*, a heartfelt book written by 17-year-old student Noelle M. What makes this work truly inspiring is its origin—Noelle was moved to write the book after joining her school's immersion program at the village. Through her time with the children, she witnessed their resilience, joy, and boundless hope, which became the heartbeat of her story.

A Splash in the Sky is more than just a book; it is a testament to the power of empathy and the impact that the children of CCVFI have on those who meet them. By purchasing a copy, readers not only support a young writer's dream but also extend a helping hand to the foundation and its mission of providing a loving home to differently-abled children.

Your support makes every page shine brighter. **GRAB A COPY NOW** for only **PhP 350.00!**
