Monthly Update From the Chosen Children Village

★ ABILITY AWARENESS 2025 - WHAT A SUCCESS! ★

What an incredible way to celebrate the First Sunday of Advent and kick off Ability Awareness 2025!

We are absolutely thrilled by the success of our event, held today at Chosen Children Village under the theme: "Disability is not Inability - Different Abilities, Equal Rights."

We were honored to host 104 children and their guardians for Mass, followed by the highly anticipated Snow White the Musical presented by the talented CCVFI Children—it was a spectacular hit! The smiles continued with a delicious Jollibee lunch and a fun-filled raffle! Truly the best thing we've ever planned!

A heartfelt THANK YOU to our generous sponsors who helped us champion inclusion, talent, and strength:

- Hiranand Group of Companies
- Mike Singh
- Joy Lagdameo
- Jed de Leon
- Rosemarie Villareal

Thank you for your support in making this powerful celebration of inclusion possible. Happy First Sunday of Advent!

🦃 GIVING THANKS 🦃

Celebrating Thanksgiving at Chosen Children Village Foundation Inc. has a profound and positive impact on the children. More than just a meal, it is a vital opportunity to foster a sense of family, belonging, and gratitude within the community.

For children who have experienced abandonment, gathering for a shared feast reinforces that they are cherished and part of a loving home. The act of expressing thanks, often through small performances or simply sharing what they are grateful for, helps develop positive emotional regulation and an appreciation for the caregivers and volunteers. Thanksgiving becomes a joyful, therapeutic day that builds lasting memories and strengthens the conviction that they are valued, maximizing their potential for a happy life.

🎄 ILLUMINATING HOPE 💖

Splendido Tagaytay Hotel and Country Club has recently underscored its commitment to community by forging a heartfelt partnership with the Chosen Children Village Foundation, Inc.. This collaboration beautifully merged the hotel's festive spirit with a crucial social cause, notably spotlighted during their **2025 Sustainable Christmas Tree Lighting Ceremony**.

The partnership ensures the foundation—a dedicated home for abandoned and neglected children with mental and physical challenges—receives vital support. Representatives from Chosen Children Village participated in the ceremony, which included an AVP introduction, heartfelt gift-giving, and a special message from the Executive Director.

This initiative demonstrates how local businesses can integrate meaningful corporate social responsibility (CSR) into their operations, providing not just financial assistance but also public visibility and validation for the children. It highlights a shared commitment to compassion and community, making the holiday season truly bright for the village's residents.

♥ MORE THAN A VISIT ♥

For organizations seeking meaningful Corporate Social Responsibility (CSR) and team-building opportunities, immersion at Chosen Children Village is profoundly important. It offers a tangible way to live out values of inclusion and compassion, moving beyond simple donation to deep, personal engagement.

By having their employees work, eat, and play alongside children with diverse abilities, organizations provide their teams with a unique, humanizing experience. This direct interaction helps break down stereotypes, fostering empathy, patience, and a heightened sense of social responsibility among staff. Participants return to the workplace with new perspectives, often reporting improved teamwork and appreciation for diversity.

Ultimately, the immersion program allows an organization to become a vital partner in the foundation's mission, directly contributing to the well-being and development of the children while enriching their own corporate culture. It is an investment in both social good and employee development.

STORIES THAT SHINE

Chosen Children Village Foundation, Inc. (CCVFI) proudly celebrates the launch of *A Splash in the Sky*, a heartfelt book written by 17-year-old student Noelle M. What makes this work truly inspiring is its origin—Noelle was moved to write the book after joining her school's immersion program at the village. Through her time with the children, she witnessed their resilience, joy, and boundless hope, which became the heartbeat of her story.

A Splash in the Sky is more than just a book; it is a testament to the power of empathy and the impact that the children of CCVFI have on those who meet them. By purchasing a copy, readers not only support a young writer's dream but also extend a helping hand to the foundation and its mission of providing a loving home to differently-abled children.

Your support makes every page shine brighter. **GRAB A COPY NOW** for only **PHP 350.00!**
