Monthly Update From the Chosen Children Village

🎁 THE JOY OF CHRISTMAS MORNING 🎁

Opening Christmas gifts on Christmas Day holds deep meaning for the children of Chosen Children Village Foundation, Inc. For many of them, Christmas is not just a date on the calendar but a moment of belonging, hope, and joy. Waiting until Christmas Day to open their gifts builds anticipation and teaches patience, gratitude, and the true spirit of the season.

As the children gather together, sharing laughter and excitement, the simple act of unwrapping a gift becomes a reminder that they are remembered and loved. Each present represents the kindness of sponsors and donors who chose to share their blessings. More than toys or necessities, these gifts carry messages of care, dignity, and compassion.

Celebrating Christmas this way also reinforces tradition and faith, helping the children understand that Christmas is about giving, love, and togetherness. Through this meaningful experience, the children learn that joy is sweeter when shared, and that hope is renewed when love is patiently awaited and gratefully received.

JOYFUL CELEBRATION

On December 11, the staff of Chosen Children Village Foundation, Inc. came together to celebrate their annual Christmas Party, a time to reflect, rejoice, and strengthen the bonds that make their work so meaningful. The celebration was filled with laughter, festive cheer, and heartfelt camaraderie, providing an opportunity for staff members to unwind and appreciate each other's dedication throughout the year.

The event featured fun games, recognition of outstanding contributions, and a sharing of holiday blessings that reminded everyone of the purpose behind their tireless efforts for the children. Delicious food, music, and merriment set the perfect backdrop for a night of togetherness, gratitude, and joy.

This gathering not only honored the hard work and commitment of the staff but also reinforced the spirit of family and community that is central to Chosen Children Village Foundation. The celebration was a meaningful reminder that behind every child's smile are devoted hearts making a lasting difference.

HEALING THROUGH COMPASSION

On December 9, Chosen Children Village Foundation, Inc. was blessed to host a meaningful medical mission made possible through the generous cooperation of the Miata Club and the dedicated medical team from Our Lady of Lourdes Hospital.

The medical mission provided essential healthcare services to the children and residents of the Village, including general check-ups, medical consultations, and basic treatments. More than addressing physical needs, the activity brought comfort, reassurance, and genuine care to the children, many of whom have limited access to regular medical services.

The presence of volunteer doctors, nurses, and Miata Club members reflected a shared commitment to compassion and service. Their time, expertise, and generosity significantly contributed to the well-being of the children and reinforced the importance of community partnerships in sustaining holistic care.

Chosen Children Village Foundation, Inc. extends its heartfelt gratitude to all who made this medical mission a success, bringing healing, hope, and smiles to the Village.

🎉 CELEBRATING INCLUSION THROUGH JOY 🎉

The invitation extended by Nitto Denko Philippines to the children of Chosen Children Village Foundation, Inc. for its Christmas Party held at Okada Manila on December 18 was a meaningful gesture of inclusion, joy, and compassion. For the children, being part of a corporate Christmas celebration affirmed their sense of belonging and reminded them that they are valued members of the wider community.

A highlight of the evening was the opportunity given to the children to perform **Snow White the Musical**. Taking the stage allowed them to showcase their talents, build confidence, and experience the joy of being applauded and celebrated. The performance was more than entertainment—it was an expression of growth, perseverance, and self-worth.

This shared celebration created lasting memories for the children and deepened their understanding of Christmas as a season of love, generosity, and shared humanity. Chosen Children Village Foundation, Inc. is deeply grateful for this opportunity that brought smiles, encouragement, and hope to the children's hearts.

♥ SHARING MOMENTS OF LEARNING ♥

In December 2025, Chosen Children Village Foundation, Inc. welcomed several groups and individuals who held immersion activities with our children, creating meaningful experiences of learning, fun, and connection. These activities allowed the children to interact, explore, and express themselves while gaining new skills and confidence.

For the visitors, the immersion offered a deeper understanding of the children's lives and the challenges they overcome every day. Each activity strengthened bonds, inspired empathy, and highlighted the importance of community involvement in nurturing the children's growth.

The Village sincerely thanks all who dedicated their time, energy, and hearts to make December truly memorable.
