Monthly Update From the Chosen Children Village

CHILDLIKE FAITH

The Village joyfully celebrated the Feast of Sto. Niño, a cherished tradition that filled the grounds with vibrant colors, music, and heartfelt devotion. Children, staff, volunteers, and guests gathered in prayer and thanksgiving to honor the Holy Child, embracing both faith and Filipino heritage.

A highlight of the celebration was the gift-giving activity for children in the surrounding community, sharing blessings beyond the Village and spreading joy to many families. The festivities were made even more meaningful through the lively Ati-Atihan performance of the Rogationist Brothers, under the guidance of Fr. Jessie. Their energetic presentation brought smiles, excitement, and a deeper appreciation of the spirit of the celebration.

More than a cultural event, the Sto. Niño celebration became a beautiful expression of generosity, unity, and hope—reminding everyone that faith is best lived when shared with others, especially those in need.

SMILES THROUGH SIMPLEBIZ

The children of the Village recently enjoyed a day of smiles and healthy teeth, thanks to the generous sponsorship of SimpleBIZ. The dental activity provided a comprehensive check-up for each child, including cleaning, fluoride treatments, and education on proper oral hygiene practices. This initiative not only addressed immediate dental needs but also instilled habits that promote long-term health and well-being.

For the children, the activity was both fun and educational, turning what can often be an intimidating experience into an enjoyable learning opportunity. Volunteers and dental professionals guided the children with patience and care, ensuring each visit was positive and comforting.

We extend our heartfelt gratitude to SimpleBIZ for their continued support and commitment to the welfare of the children. Their generosity allows the Village to provide essential services that enhance the children's overall health, confidence, and quality of life, creating a brighter and healthier future for all.

MEETING OF MINDS

The Annual Meeting of the Board of Trustees is a significant and meaningful milestone in the life of the Village. It is more than a formal requirement—it is a time of reflection, accountability, and renewed commitment to the children entrusted to our care.

During this gathering, the Board reviews the year's accomplishments, evaluates financial reports, strengthens policies, and prayerfully plans for the year ahead. These discussions ensure transparency, responsible stewardship of resources, and alignment with our mission of providing holistic care, rehabilitation, and education.

This meeting also reinforces unity and shared vision among our leaders, allowing them to make thoughtful decisions that safeguard the sustainability of the Village. We extend our deepest appreciation to each member of the Board for their dedication, wisdom, and selfless service.

Their guidance, integrity, and unwavering support continue to shape a brighter, more secure future for every child we serve.

♥ MOMENTS OF LEARNING ♥

Immersion activities play an important role in strengthening the connection between the organization, the Village, and the wider community. Through immersion, visitors gain a deeper understanding of the children's daily lives, challenges, and victories, fostering empathy and awareness beyond simple outreach. For the children, these encounters create opportunities for social interaction, learning, and meaningful relationships that build confidence and joy.

Immersion also allows partners and volunteers to witness firsthand the impact of their support, encouraging long-term commitment to the mission.

Ultimately, immersion nurtures shared responsibility, promotes compassion, and helps build a stronger community united in creating a more inclusive and hopeful future for all.
