Angels Crossing

Monthly Update From the Chosen Children Village

CELEBRATING HOPE AND NEW BEGINNINGS

The celebration of Chinese New Year is a meaningful and joyful occasion for the children at the Foundation. Beyond the colorful decorations, festive meals, and red envelopes, the celebration brings a powerful message of hope, renewal, and good fortune for the year ahead.

For many of the children, this tradition offers a chance to experience cultural appreciation and community spirit. Activities such as sharing meals, enjoying performances, and receiving small gifts create moments of happiness and belonging. The celebration also teaches the values of gratitude, family, and optimism—reminding the children that every new year brings new opportunities and brighter possibilities.

Through this celebration, the Foundation not only honors a cherished cultural tradition but also creates lasting memories that uplift the children and inspire them to welcome the future with joy and hope. 🧧🧨

MOMENTS OF GROWTH AND CARE

The past month at the Foundation were filled with meaningful activities that nurtured the health, learning, and creativity of the children. One important milestone was the successful vaccination of Chris, ensuring his continued protection and well-being. Moments like these remind us how vital proper healthcare is in helping our children grow stronger and healthier each day.

At the same time, the young boys took part in a simple yet valuable activity—learning the importance of planting. Guided by staff, they discovered how caring for plants teaches patience, responsibility, and respect for nature. Watching something grow through their effort gave them a sense of pride and accomplishment.

Adding to the excitement, the children also showcased their creativity by preparing and selling their handmade arts and crafts, featuring Pinili products with a Valentine's theme. These beautiful creations not only highlighted their talents but also helped them learn confidence, teamwork, and the joy of sharing their gifts with others.

♥ SHARING TIME, SHARING HEARTS ♥

The Foundation extends its heartfelt appreciation to the different organizations that chose to spend meaningful time with the children through immersion activities at the Village. Your presence brought not only excitement and joy, but also genuine moments of connection and learning for everyone involved.

Through simple interactions—playing games, sharing meals, assisting in activities, and listening to the children's stories—our guests were able to experience firsthand the spirit of the Village community. For the children, these visits are truly special. They feel encouraged, valued, and inspired by meeting people who take the time to understand their lives and share in their daily experiences.

Immersion activities also remind us of the power of compassion and community. By opening your hearts and spending time with the children, you help create an environment where understanding, friendship, and kindness continue to grow.

Thank you for choosing the Village as a place to share your time, your energy, and your hearts.

CELEBRATING WITH THE CHILDREN

February was filled with joy and meaningful moments as several kind-hearted individuals chose to celebrate their special occasions at the Village with the children. By sharing their birthdays, family gatherings, and other milestones, they turned their celebrations into moments of generosity and love.

The children were delighted to join in the festivities, enjoying the meals, games, and laughter that came with each event. More than the treats, it was the presence and kindness of our guests that made the day truly special.

We are deeply grateful to everyone who chose to celebrate with us, making their special moments even more meaningful by sharing them with the children. 🎉❤️

♥️ GRATEFUL FOR YOUR GENEROUS HEARTS ♥️

The Foundation extends its heartfelt gratitude to all the generous donors who shared their blessings through in-kind donations during the month of February. Your thoughtful contributions—from food items and daily necessities to educational and activity materials—continue to make a meaningful difference in the lives of the children at the Village.

Each donation helps provide comfort, nourishment, and opportunities for learning and growth. More importantly, your kindness reminds the children that they are supported by a caring community that believes in their well-being and future.

Your generosity allows us to continue our mission of caring, nurturing, and empowering every child entrusted to us. Thank you for being part of this journey and for sharing your blessings with our Village family. ♥️
